In addition to attending monthly class sessions, each Middle School student is expected to participate in at least one **service opportunity** and three **spiritual or enrichment opportunities** throughout the course of the year, and submit a brief reflection on each experience. These opportunities are intended to promote learning outside the classroom and help students put their faith into action, as well as strengthen their sense of community and belonging within the parish. For the reflection prompt and a list of the opportunities (which will be updated throughout the year), please visit www.olossharon.org/service and www.olossharon.org/spiritual-and-enrichment.
