**Coffee Hour**

Fabiola invited us to lead the Coffee Hour on Souper Bowl Sunday, Feb 7th

**RICE BOWLS:**

Mary joined us to discuss the plans for the Rice Bowls that will be handed out this weekend. She and Ginny Devlin made an agreement on combining communications for the Souper Bowl collection for Ilse Marks as well as the CRS Rice Bowls.

**MAIN SPRING SOUP KITCHEN:**

Fabiola joined us to discuss our group taking the lead to continue the Main Spring Soup Kitchen.

We deferred any decisions until we can have a fuller CSC group discussion at the February meeting.

The main considerations are that this needs to be well-organized with:

- leadership from within CSC (perhaps rotating annually)
- a committed group of many volunteers to shop for materials; make soup and deliver/serve at Main Spring (could this become an Adult Service Project?)
- ongoing funding to pay for food supplies
- Places to store supplies
- based on the above, decide frequency to provide meals - 2x or 3x a year to start?

This topic will be on our agenda again at the Feb 9th meeting. .
